

OVERVIEW

The DRB plays music from many different genres, and our song list varies literally from week to week as we learn new songs for brides & grooms, pick up the latest hits from the radio, etc. The primary genres we play include:

- Top 40 • Motown • Funk/R&B • Hip Hop • Jazz • Big Band/Swing • Pop •

Some of the artists we model our style after include:

- Bruno Mars • Justin Timberlake • Stevie Wonder • Earth, Wind & Fire • The Temptations • Frank Sinatra • Prince • Beyonce • Pink • Many more!

The list below includes many of the songs we're currently playing on a nightly basis, and some we haven't played in a while but can still pull out as needed. It shouldn't be taken as a comprehensive list as we're constantly updating it. If you would like a specific song played at your event, let us know, we're happy to learn it for you!
