

THE PHOENIX THEORY SAMPLE SONG LIST

OVERVIEW

The Phoenix Theory plays music from many different genres, and our song list varies literally from week to week as we learn new songs for brides & grooms, pick up the latest hits from the radio, etc. The primary genres we play include:

Top 40/Pop • Classic Rock • Motown • Funk/R&B • Hip Hop

The list below includes many of the songs we're playing on a nightly basis, and some we haven't played in a while but can still pull out as needed. It shouldn't be taken as a comprehensive list as we're constantly updating it. If you would like a specific song played at your event, let us know, we'll discuss the best way to make it happen!
